- ▲ 14 University colleges of teacher education

Number of Students in Austria in 2023/24

-  Public universities
-  Universities of applied sciences
-  University colleges of teacher education
-  Private universities and higher education institutions

Find your programme

- Explore 2,000+ degree programmes at 76+ Austrian institutions
- Use category selection and filters (e.g. location, degree type, institution, language)
- English-taught programmes:
studienwahl.at/programmes-in-English
- Review programme details, check entry requirements, and contact institutions directly

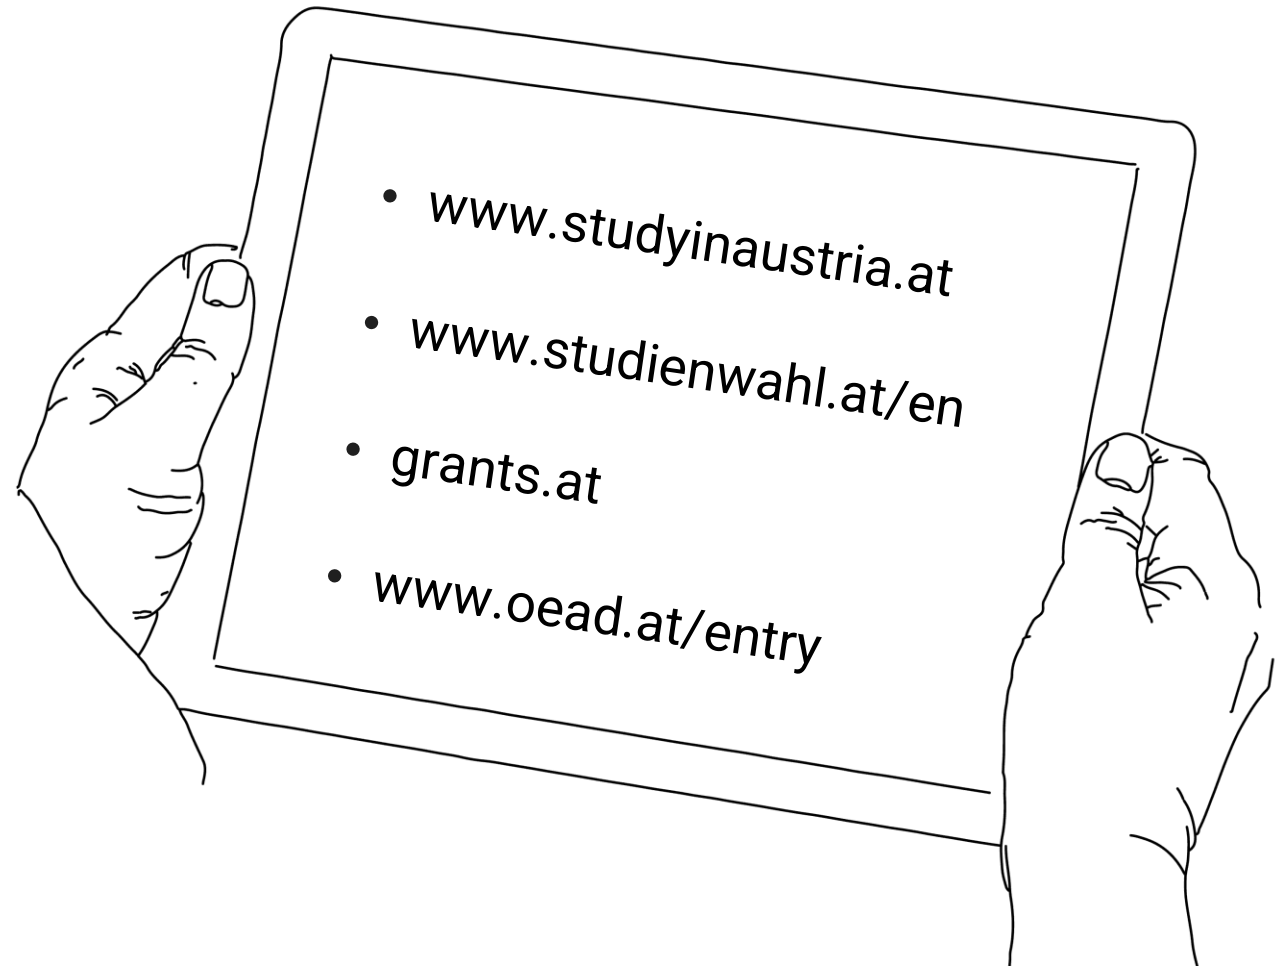

grants.at

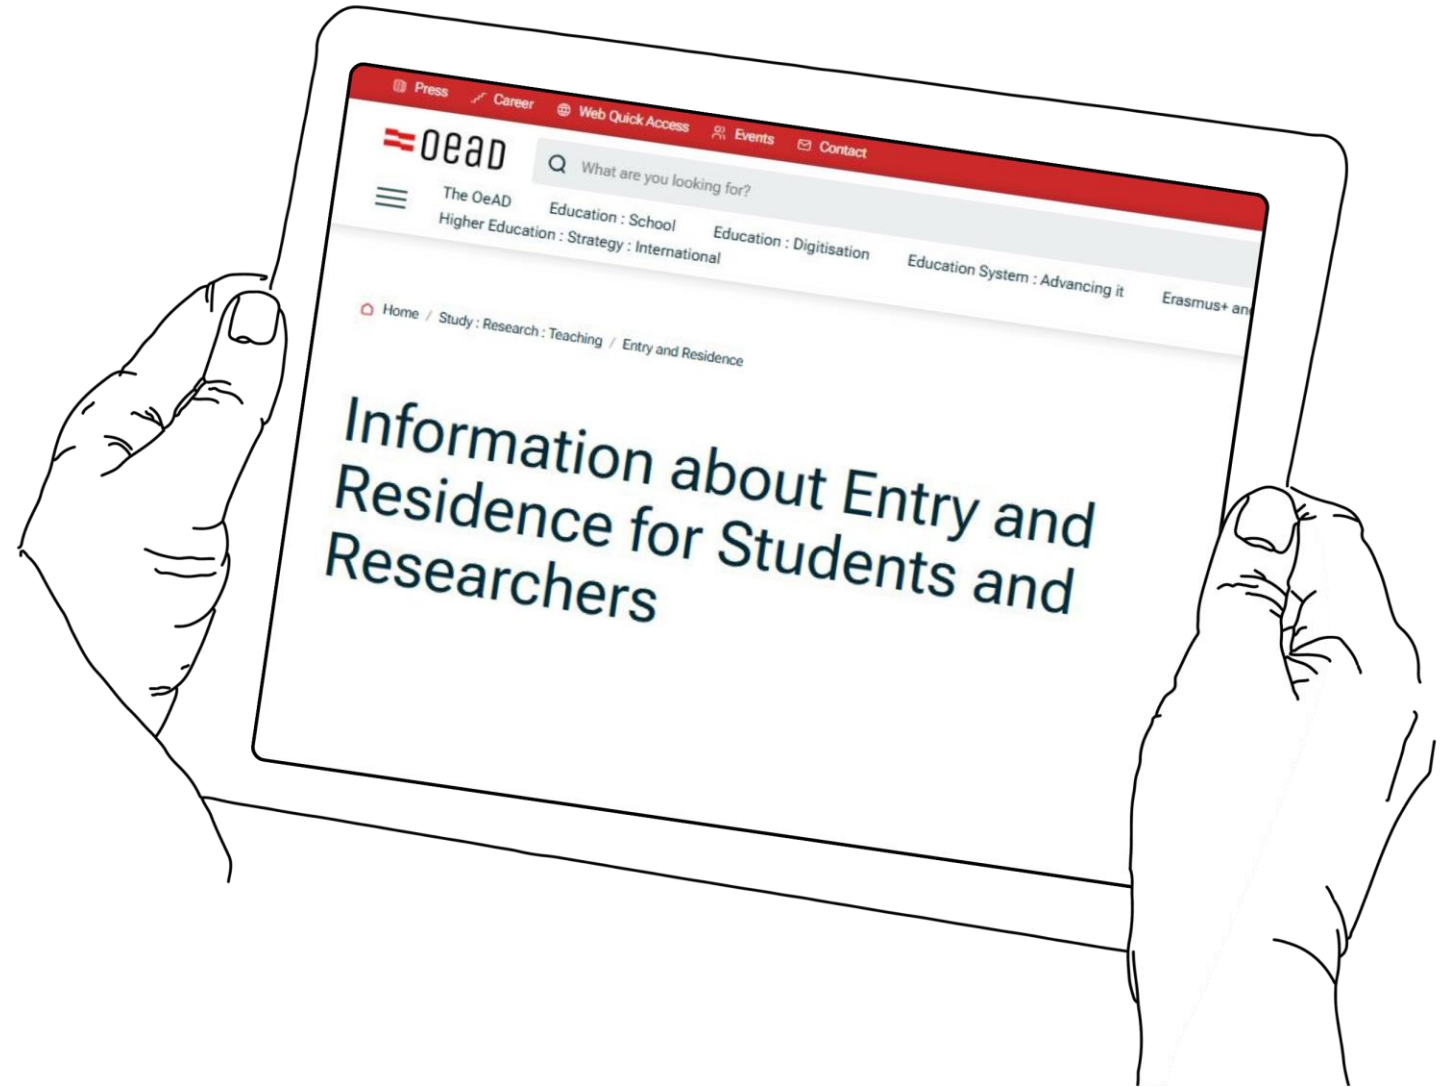

- Austria's largest scholarship database with 1,200+ entries
- Includes funding from the EU, international bodies, governments, and private sources
- Search by name or filter by country of origin, target country, or grant type
- Most scholarships are not administered by the OeAD

Essential online **resources**

www.oead.at/entry

- Visa & Residence Permit
 - Entry requirements depend on nationality
 - You may need a visa and/or residence permit to study in Austria
 - Check which residence title applies to you and where to get further information

Publications

The **Study Guide** offers a comprehensive overview for students interested in studying in Austria.

The **Higher Education Institutions brochure** provides an overview of all accredited higher education institutions.
