- generous hospitality and an overwhelming landscape

Number of students in Austria 2021/22

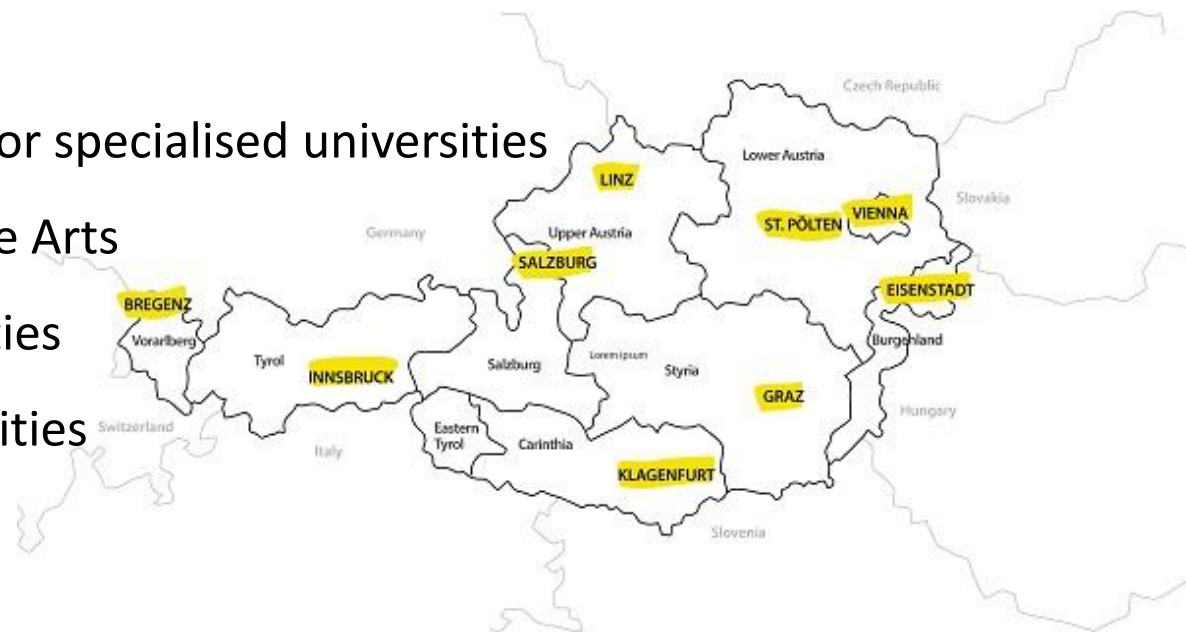

International Students in Austria 2021/22

Study & Research in Austria

Higher Education Institutions

- 22 Public Universities
 - 10 comprehensive or specialised universities
 - 6 Universities of the Arts
 - 3 Medical Universities
 - 3 Technical Universities
- 16 Private Universities
- 21 Universities of Applied Sciences
- 14 University Colleges of Teacher Education

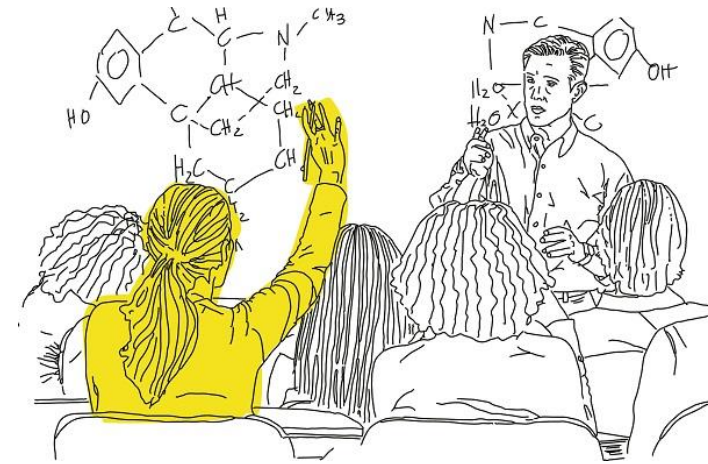

Universities

- **Public Comprehensive (general) Universities**
- **Public Specialised Universities**
(University of Economics, Univ. for Veterinary Sciences, Univ. for Mining Leoben, Technical Universities)
- **Public Medical Universities** (Vienna, Graz, Innsbruck, Linz*)
- **Public Universities of the Arts**
- **Private Universities** (fully accredited by law; the curricula of the Austrian private universities as well as the academic degrees awarded by them differ from university to university)

Free access to the majority of the university studies
(some courses have limited access/entrance exams)

University entrance qualification has to be proved
(secondary school leaving certificate or professional
qualification examination)

* Faculty of Medicine

Universities

- Three-tier system widely in use (bachelor, master and PhD programmes according to the Bologna Process)
- Language of instruction is German but many courses offered also in other languages see www.studienwahl.at/en
- Two semesters per year
 - bachelor programmes: at least 180 ECTS credits
 - Master programmes: at least 120 ECTS credits
 - PhD: at least three years
- Tuition fee regulation for degree programme students depends on the citizenship of the student
- Degree programme students from third countries who possess a residence permit for students pay 726.72 Euros per semester

Universities – Admission

- Free access to the majority of the university studies.
- The university may limit admissions in some study programmes (either entrance examination or selection procedure until two semesters after admission).
- **Important:** Please enquire in time directly at the university of your choice

Universities of the Arts

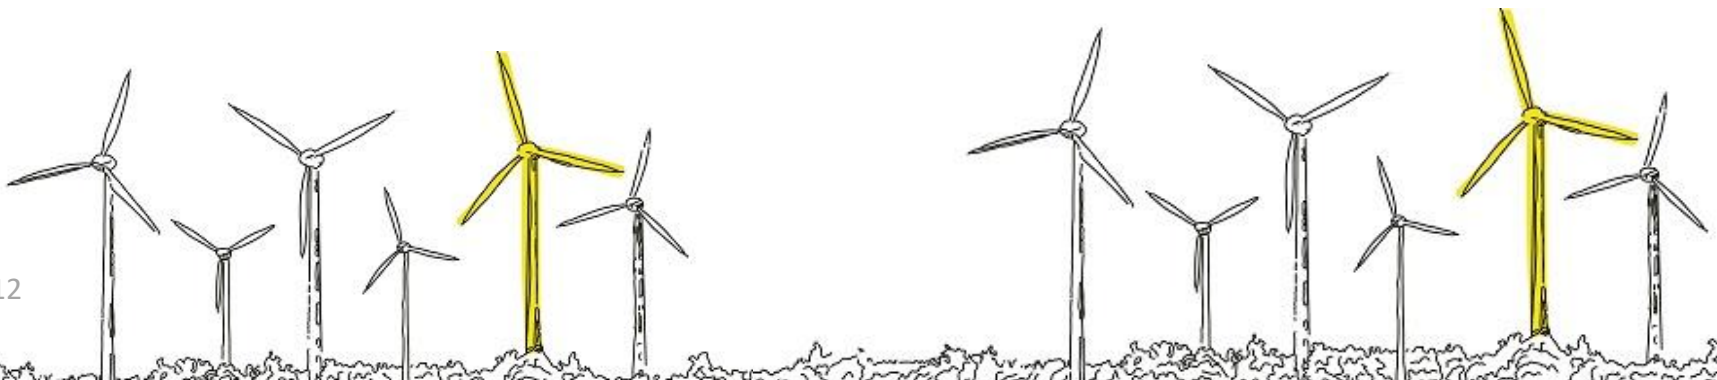

- Six Universities of the Arts and Music (e.g. Mozarteum in Salzburg)
- **Compulsory entrance examination**
- Mostly three-tier system (bachelor, master and PhD programmes according to the “Bologna” structure)

Universities of Applied Sciences (Fachhochschulen)

- More profession-oriented education
- Offer full-time and extra occupational studies
- **Compulsory entrance examination**
- Some charge tuition fees (more details at the respective institution)
- Bachelor & Master degree studies; currently no PhD
- Graduates of UAS master's programmes may enrol in PhD (doctoral) programmes at universities

Teacher Training in Austria

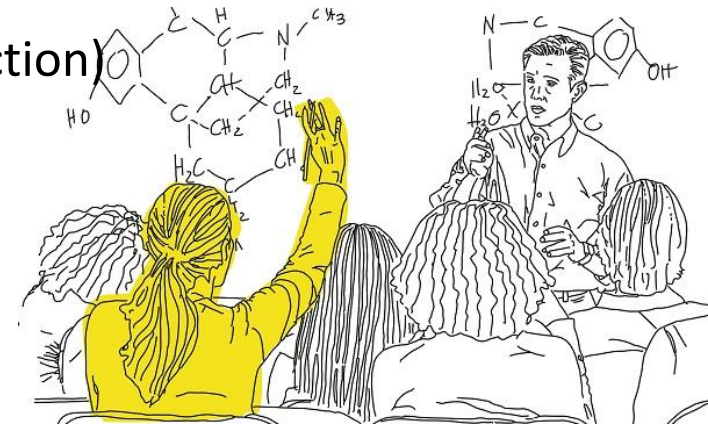

Teacher training for primary school teachers

- At university colleges of teacher education
- 240 ECTS credits for BEd, 60 ECTS credits for MEd

Teacher training for secondary school teachers – schools of general education and schools of vocational education

- At university colleges of teacher education and at universities, cooperation between the colleges and universities organised in four teacher training networks
- 240 ECTS credits for BEd, 60-120 ECTS credits for MEd
- One-year induction phase (in-service introduction)

All degrees are internationally recognised.

ASEAN European Academic University Network

- Founded in 1994 by universities from Austria, Indonesia, Thailand and Vietnam, is a network of currently 90 universities from 15 different countries.
- ASEA-UNINET is organised so that each member university has a coordinator (university coordinator), and each member country has a national coordinator as well, in addition there is a chairperson and a team of executives.
- Regular meetings on level of university and national coordinators, meeting of all coordinators (Plenary Meeting) every 18 months
- <https://asea-uninet.org/>

Mission of ASEA-UNINET

- to encourage and facilitate relationships between universities, governmental and nongovernmental organisations and economic operators engaged in projects related to education, science, technology, innovation and art in the countries of the member universities,
- to enable and support cooperation between academic institutions in staff/student exchange, teaching and research activities,
- to contribute research relevant to the world's problems, specifically to the target areas set out in the sustainable development goals and implementing SDG's slogan of "no one should be left behind",
- to promote scientific, cultural and human relationships and personal contacts and
- to increase intercultural exchange and understanding

Map of the OeAD Projects and Alumni

The screenshot displays the OeAD map interface. On the left, there is a sidebar with the following filters:

- Map of OeAD Projects and Alumni**
- Projects**
- Select programme ...
- Alumni**
- Find alumni at their current location
- Select scholarship ...
- Full-text**
-
- Country**
- Enter one or more countries in English ...
- City**
- Enter one or more cities ...
- Organisation**
- Select an organisation ...
- Host, guest, current organisation or project partner
- Funding duration**
- YYYY to YYYY
- Scientific discipline**
- Select a scientific discipline ...
- Specify the discipline ...
-

The main map area shows a world map with various markers. A legend in the top right corner indicates:

- OeAD Offices
- Lectureships

A text box on the map states: "The map shows OeAD projects as well as project partners. The map shows the institutions of OeAD alumni."

Geographical labels on the map include: NORTH AMERICA, SOUTH AMERICA, AFRICA, ASIA, OCEANIA, ANTARCTICA, Arctic Ocean, Atlantic Ocean, Indian Ocean, Pacific Ocean, and Southern Ocean.

Markers on the map display numbers: 5, 38, 73, 58, 3, 25, 1456, 3, 13, 145, 101, 196, 26, 5, 2.
